

NAMIBIA STANDARD WILDLIFE SAFARI

8 DAYS / 7 NIGHTS | STANDARD | GUIDED OR SELF-DRIVE

Not uncommon to see up to 7 different species of game at any waterhole!

Africa's great Etosha game park has 114 species of mammal and 340 species of bird - you are sure to see a great variety of wildlife on your safari. Maybe the only place where some of the best game viewing is during the heat of the day when game in their hundreds congregate at the waterholes to drink. The animals have learnt to drink during the day when predators are inactive and it is the safest time to be out in the open.

Departures flexible. Any changes or additions can be made to this route. Accommodations, subject to availability, are suggestions only and with minimum extra cost, up-grade any accommodation – contact me for suggestions.
